### **Freedom Credit Union prepares for severe weather**

(Warminster, PA- March 9, 2018) On March 7, 2018 Pennsylvania declared a state of emergency due to dangerous weather conditions. Although our branches were closed, our Call Center and Operations Center Staff worked remotely to service our members during this storm. Freedom Credit Union was able to service members all day without a disruption in service, which was a ground breaking experience. We put our members first and knowing that even if they are unable to get to a branch, we are still able to provide quality member service.
