¹ Online & Mobile services refers to account transactions performed through Freedom's Online & Mobile services and Telephone Teller services.

² Fee is imposed on overdrafts caused by the payment of a share draft/check, an Automated Clearing House (ACH) transaction or a Visa® Check Card purchase.

Courtesy Pay is only extended to members with accounts in good standing. Good standing means that the account must be brought current at least once every thirty (30) days, the member must not have caused the Credit Union a previous loss and there must be no legal orders against the account. Payment of a Courtesy Pay item is not an obligation of the Credit Union and the Credit Union may refuse payment of a transaction on any account at any time and from time to time.

³ The Non-Sufficient Funds (NSF) fee will be charged each time an item is presented for payment and the available funds in your account is not enough to pay the item.

⁴ Skip-A-Pay fee only applies when the program is offered by the Credit Union, usually two times per year. See program disclosures for more information.
